Baby Bottle Boomerang

The annual Possibilities Women's Center Baby Bottle Boomerang fundraiser has begun. If you have not picked up a bottle from the bin in the Narthex be sure you do. Then just toss your loose change, bills, or checks in the bottle and return no later than Father's Day, June 19th. The Possibilities Center provides much more than counseling and encouragement for mothers-to-be. They also provide help after the baby is born. mSo please help support this worthy cause.

Greetings Dear Brothers and Sisters in Christ

The financial health of our congregation is good thanks as always to your generosity. But did you know that one of the methods of offering is donating stock? I wanted to take a moment to cover an important step in the donation process. To facilitate the process, there is a form found on the church secretary's desk that should be completed. The completion of the form makes us aware of a gift by stock donation. It is the policy of the church to sell the stock immediately, and we must contact Edward Jones for each donation to instruct them to sell. This form is sometimes the only way for us to know that a donation has been made.

Thanks again for your generosity.
May the Lord bless you and keep you,
Roland
